

DartsInStoke Darts Academy

www.dartsinstoke.co.uk

2022 Academy Fees

To Join the DartsInStoke Darts Academy for the whole of 2022 there is a £5 admin fee, this is a one-off payment to the academy to be made within the first 3 weeks of joining us, if you decide to leave the academy during 2022 or move to another academy this fee is non-refundable.

All money taken into the academy will be used in the academy.

Weekly subs are £5 per player to be paid to the academy via PayPal (where possible), from this £2 per session will go to the JDC and £3 will go to the DartsInStoke academy.

This £3 will be used for awards, certificates, equipment and other items required during the year.

Then there is also a one-off fee of £12 to be paid via PayPal (where possible) to the JDC (via the Academy) this is to allow the player to be on their system and affiliated with the JDC.

So at the start of the season within the first 3 weeks, admin fees of £17 need to be paid and then £5 subs weekly.

Sessions will last 1 hour and consist of the following
Warm-up and Practice
Session topic & routine to go along with the topic
JDC Challenge

All players are then encouraged to sign up to godartspro.com which is free but we recommend the upgrade to premium as we will be giving out homework routines each week for players to try and we will be looking to monitor scores via the godartspro platform
